

SPORTS, RECREATION AND EXERCISE (5M5146) – Level 5

The purpose of this award is to enable the learner to acquire the knowledge, skill and competence in a range of sports, recreation and exercise activities to work independently and under supervision in a variety of sports related contexts and or to progress to higher education and training.

- **This course prepares you for the world of work and immediate employment**
- **QQI results may be used to progress to further education in Institutes of Technology and universities**

FURTHER INFORMATION

This full time QQI Level 5 Major Award in Sports, Recreation and Exercise (5M5146) is a broad Sports and Leisure course that will enable students to demonstrate and apply a range of skills and knowledge in a variety of Sports and Recreation contexts. Students will acquire the knowledge and practical skills required to assist in the running of a Sports and Leisure Facility.

The variety of modules covered during the duration of this programme will allow the learner to work independently and under supervision in a range of facility types. Students will be provided with a basic understanding of Recreation theory and health concepts in a variety of subject areas.

We will provide students with an understanding of the Leisure industry and other general areas which will be beneficial to their future careers. Students will be required to complete 8 component certificates in order to achieve this QQI Level 5 Major Award in Sports Recreation and Exercise.

Students will be equipped with the confidence to go into the workplace or they may progress to further or higher education in a related field.

* This course prepares you for the world of work and immediate employment.

* Your QQI course results may also be used to progress to further education in Institutes of Technology and universities
