# Why 1:1 Devices for Nenagh College?

**In 2021, Survey of Staff, Student and Parents– preference is for Nenagh College to become a 1:1 device school.**

**Last year’s TYs had “Seed and Grow” trial program for 3 weeks. Students really enjoyed having their own devices for all lessons; used for research, projects, email, Teams and other office 365 applications.**

**This year we introduced the Lenovo devices to our current TYs. The feedback from students and staff has been extremely positive.**

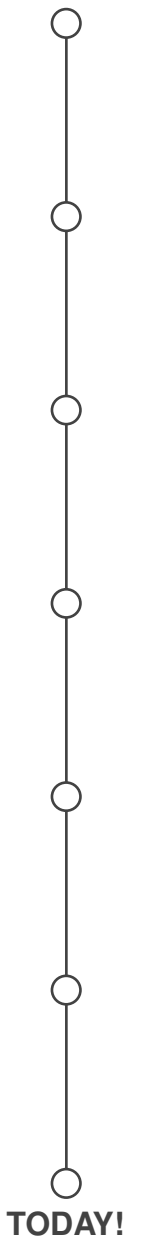

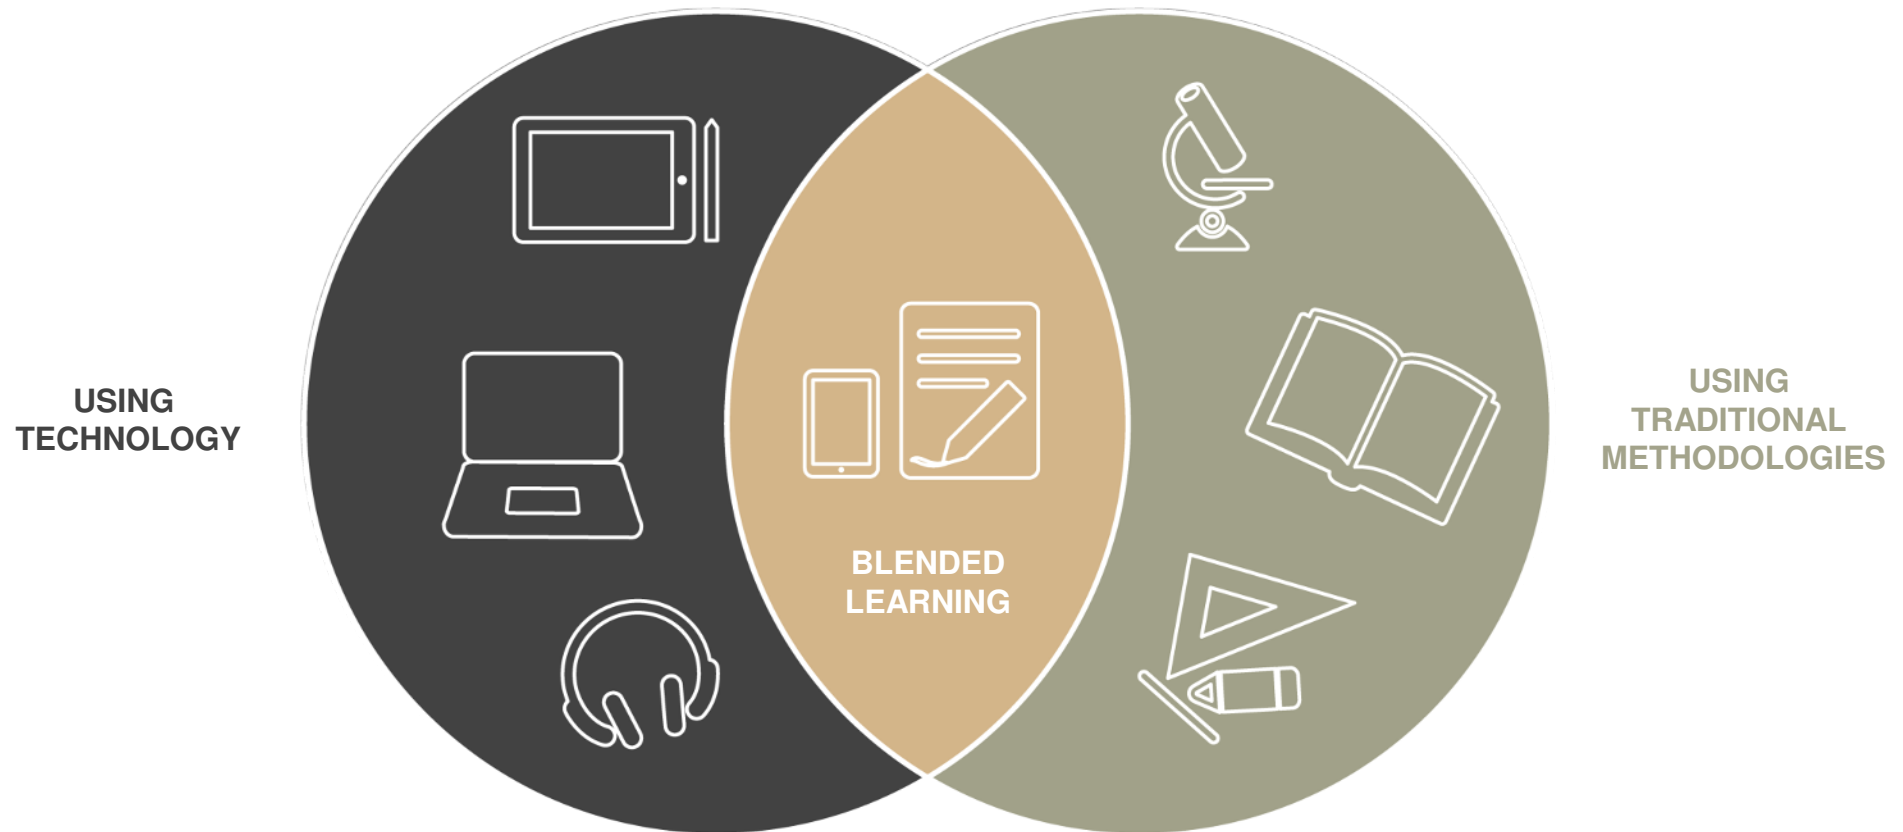

*Empower all members of our school community to become life-long digital learners who creatively use digital technologies to enhance their lives and the lives of others.*

# Full Device Set-Up and Security for \*3 Years

To ensure that your child's device is secured for educational use only, our technology team at Wriggle put your child's device through a 77-step process to make sure that:

- The device is set up with a device management profile so that it can only be used for educational purposes
- The device is configured correctly for school and overseen by our dedicated Apple, Microsoft and Google engineers
- School specific device restrictions are applied to the device to adhere to school policy
- Your device is set up with all the apps you need for school preloaded to your device
- Device safety management is in place for \*3 years
- New school apps and updates are automatically pushed to your device for a full \*3 years

# Full Technical Phone and Email Support for 3 Years

Technical Queries and issues arise, which is why Wriggle's team offer parents a full \*3 years of phone and email support for all app and technical issues, including:

- Support for any technical issues with the device
- App support to ensure optimal performance of educational apps
- Device unlocking in cases where devices become Locked or 'Disabled'
- Device reconfiguration to school specifications
- Warranty repairs and support
- 36-month software cover
- Ongoing school app pushes and updates over 3 years
- Logistics repairs support
- 36-month Mobile Device Management licence and platform maintenance
